Dear Freedom of Information Act/ Open Records Officer

Pursuant to the Federal Freedom of Information Act, 5 U.S.C. § 552, and all other applicable state and federal statutes, I request from Environmental Protection Agency the following records:

- All emails sent or received by EPA personnel Lincoln Ferguson or Jahan Wilcox that contain any of the following terms: “climate change”; “global warming”; “Paris Agreement”; “Paris Accord”; “CO2”; “carbon”; “greenhouse gas”; or “endangerment finding.” The timeframe of my request is January 20, 2017 through August 20, 2017.

I understand that there might be costs associated with this request. I would first request a waiver of fees and ask for you to contact us before making copies if fees incurred are in excess of \$50.

My preferred reproduction format is an electronic file e-mailed to me at researchinfo@dnc.org. If this is not possible, I request that you provide access to these records electronically via an FTP site, or mail electronic copies of the records to me on removable media. If none of these delivery methods are feasible, I request that you mail paper copies of the records to me at the above address.

I would appreciate your communicating with us by email at ResearchInfo@dnc.org rather than by mail, if you have questions regarding this request. If necessary, we can also be reached by telephone at 202-798-3889.

If all or any part of this request is denied, please cite the specific exemption which you believe justifies your refusal to release the information and inform us of your agency’s administrative appeal procedures available to me under the law.

Thank you for your assistance in this matter.

Sincerely,

Lauren Dillon
